The Pleasant Hill Rebels embarking on their 5th season will be playing in the newly formed Central Contra Costa Division of the Northern California Pop Warner Football Conference. Lead by 11 veterans and a large contingent of new hopefuls promises to make this a big year for the Rebels.

To qualify for the team the boys must be 12 year old during the current year and cannot be 15 years old during the year. They must meet the 125 lbs. weigh-in at the beginning of the season and can not go over 130 lbs. during the season.

Our main goals are to promote football in Pleasant Hill and in general develop character, leadership, sportsmanship, and build strong and sound physical bodies.

We earnestly hope you parents and spectators find this program as gratifying and rewarding as we have, and hope you will continue to support our organization in the future.

We would like to acknowledge and thank the following people and organizations for their help and support:
